Date:	23 rd December 2022 (Friday)
Time:	6:50pm (registration) for 7:00 pm to 8:30 pm
Venue:	Online Webinar

About the Seminar

Building a fire safe environment in Hong Kong requires concerted effort from the Authorities, which are the Fire Services Department, Buildings Department, Lands Department and other licensing departments, as well as the contributions from various related professionals and the general public.

In this seminar, the speaker will introduce the efforts and contributions from these parties and how they can work together to make Hong Kong one of the safest cities in the world in terms of fire safety. Possible future directions to enhance fire safety will also be discussed.

About the Speaker

Ir Lam was the Director of Fire Services from January 2003 till December 2005. He is a Companion Fellow of the Institution of Fire Engineers (IFE) and a Fellow of the Hong Kong Institution of Engineers (HKIE). The Fire Engineering Discipline in HKIE was established in 2005 by Ir LAM and some other senior members of the Institution and he was elected as the Chairman of the Fire Discipline Advisory Panel from 2005 till 2009. At present, he is an advisor of the Fire Division, HKIE. He is also an Honorary Fellow of the University of Central Lancashire.
