

## The HKIE Fire Division 17<sup>th</sup> Annual Symposium 2026

Date: 21 April 2026 (Tuesday)

Time: 9:30am – 5:00pm (Full Day Session)

Venue: Meeting Room S421, Hong Kong Convention and Exhibition Centre,  
1 Expo Drive, Wanchai, Hong Kong

Theme: **Intelligent Resilience: Shaping the Future of Fire Safety with AI and Frontier Technologies**

### Programme Highlight

The theme this year of "Intelligent Resilience: Shaping the Future of Fire Safety with AI and Frontier Technologies" focuses on innovative solutions designed to strengthen our response to fire risks and promote a safer environment.

Through engaging presentations and discussions, our speakers from Hong Kong, Mainland China and overseas will share insights on how AI and frontier technologies are revolutionizing fire safety practices, improving resilience, and shaping the future of our built environments. Don't miss this opportunity to connect with peers and contribute to a vital conversation about the advancements that are redefining fire safety.

We are honored to have Mr Victor TAI Sheung Shing, JP, Under Secretary for Housing, Housing Bureau graciously consent to be the Guest of Honour for the Symposium and deliver the opening speech.
